Same here Luke. Please plan on returning to Durango this fall and let's get together with your family and visit, have dinner and drinks. I will show you around.

Hey Terry – It's been great meeting you and working with you. Here's that resource spreadsheet that I put together for this response. I usually put this together for the responses that I work on as RESL. It really helps me and Ops Section plan forward and move resources as you progress in the response.

Let me know if you have any questions. Also, let me know if you have some good ideas to improve on it.

Thanks!

Luke
